

Survive the Credit Crunch

with TAS Books Essential Cover Plus and Premium Cover Options.

At TAS, we're focused on helping you with the business issues of today so that you can look to the future.

That's why we've introduced helpful new features into our Essential Cover Plus and Premium Cover options.

Our new online credit control advice, a free personalised invoice or statement design and generous discounts on training and stationery are all designed to save you money, improve your cashflow and drive your business forward.

In addition to all of the above, our Essential Cover Plus and Premium Cover options also give you a free annual version upgrade containing the most up-to-date features, helping you to run your business as effectively as possible during the Credit Crunch period.

And because each new version is built using the latest technology, you can be sure that your accounting system is robust and reliable, and that your business is in safe hands.
